BIG BLAZE OF PAPER STOCK, PRETTY GIRLS WANT AID. SHE WAS 103 YEARS OLD, THE STRUGGLE IN IRELAND.

Stationers, Burned Out.

Street Completely Gutted.

A lively blase occurred in the big six-story tilding at 156 William street shortly after 3 College are all in a flutter to-day and their fair slook this morning.

he engines arrived the two upper stories were bronzed statue of George Washington at the in flames. They were occupied principally by Teachers' Bazaar in the Lenox Lyceum. the firm of Hard & Parsons, manufacturing rs, who also have the entire second fury for nine days now, with victory seemfloor, and were used for the storing of paper ingiv on the banners of the girls. But they,

of food for the flames, which blazed fleroely been endeavoring to buil them into a feeling of dued by the fremen.

Both floors were gutted and everything they stained is a complete loss. Although the wer part of the building was drenoted with a terrible blow will have been struck at a cher-Fater, causing further losses to all the tenants. | ished idea of beauteous maidens—that chivalry This morning all the floors and the stairways yet exists in mankind; for it only costs ten were covered with ice, and big, long icicles bung from the caves and windows.

Mr. Bard, of the stationery firm, said that carried a stock of paper worth about \$40,000, Paris face every time they go to their devotions uen destroyed. What had not been burned was rendered useless by the soaking it had reved. He carried a large insurance.

Tae small book bindery of A. Langbein on the larger force, but the boys are wily and up the fifth floor, was a total wreck, the damage to all sorts of tricks, and the girls have apsing estimated at \$2,000, and the fancy box pealed to the chivalrous to come to their aid of Charles Colsey, in the rear of the with dimes and save them from defeat. floor, was also destroyed with a loss of Both of these are said to have been in- with more than 1,500 votes. But the boys were

The third and fourth floors were occupied by Peter De Baun & Co., printers, and their loss a floor was principally in paper stock, which they were carrying for customers, and which is essted at \$1,000. Very little, if any, damage was done by the fire itself.

store of Barnard & Scaupell, whose loss is

trifling. The building is owned by Koch's der bows.

The origin of the fire has not yet been ascertaised, but it is supposed to have started in the rear of the fifth story, for the finems were biaxing most fercely there when the fire was discovered. There were stoves in both the small establishments on that floor.

Mesers. Hard & Parsons employed about the figure of the fire and the fire was small establishments of the fire was small establishments on that floor.

City College forces are distinguished by including the proposed of the power. It is instituted that there is a scheme on foot by which, if the girls win, the bronned assure will be captured by the boys and carried in triumph down Madason avenue.

This is denied by the boys, but one of the blazing that it was ''just like them to do it, the mean things I They are mean enough to do anything."

It is a printy butter with the print with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful with a spark of chivalry will take a pocketful will be about the boys.

HIS FACE EATEN BY RATS.

John McDonough's Body Found in a Brooklyn Hallway.

The body of John McDonough, who for the pact week has been living in lodging-houses in Brooklyn, was found this morning in the halfway of 194 Nevins atreet in that city.

His face and hands had been horribly muti lated by rats. The rodents had enten away his nose completely, and with great holes in both onecks, around the chin and in the region of the left temple he presented a ghastly sight The man was a stranger in the neighborhoo and for some hours after his body was disco-ered his identity was not anown.

He was dressed in two suits of clothing, and in his pockets were found one cent in money, a old chief and his two sons were there. Sitting small sickel match-box, a lemon and a card from the Brooklyn Central Dispensary, 312 house surrounded by police, gave a cry of

Alongside the body was an ordinary sodawas found to be a solution of bromide of

The robce believe that McDoconen wan dered into the hallway while under the influence of Houor and lar down on the floor. It was learned at the dispensary that the man was a Scotchman by birth, thirty-nine years old, and had come from Alb ny but a week

He appeared at the dispensary on Tuesday, He had been drinking and was in a condition bordering on delirium. In fact, he was so nervous that he was unable to hold a glass to his mouth. The physicians as with the was in a bad shape and sllowed him to sleep in the dispensary for a coaste of nights.

The tenants in the house where the man was found came home from the theatre at midnight, and they are positive he was not in the hallway then. Watchman Thomas Donnely, on duty at Loomis's saw-mill in the neighborhood, thinks he saw the unfortunate mas at o'clock this morning.

George Hubert, who lives on the second floor of the house, tound the man lying on the floor at 6, 40 o'clock this morning. He notified the police is morning. He notified the police is morning. He was that for three mites of the Indian stronghoid.

Another case, somewhat similar, was reported by the police is morning. He was that of Richard Stokes, ove are oil, wo was found a feeling had been guited a way for all the following was found and the fact of the police is morning. He was that of Richard Stokes, ove are oil, wo was found a feeling had been guited a way by rais and his face were ceited at the celly and the guite of the linds as a morn of the White River, was greated placed of giving information concerning the movements of the troops along the Cheyenne kiwer to have bottless and of the troops at this camp are reactived, and if given permission will have no difficulty in movements of the ludian as the content was about a fine permission will have no difficulty in movements of the ludian camp in the Bad lands, and found several easy routes in and out of the so-called integrable acrong oid.

La Montanye but three are now living—Mary Alice, the unmarried daughter, who devoted her life to the constant aervice of the wenerable, fragile mother, and two sons, industrious farmers is the far West.

Susan De La Montanye was the oldest inmate of the B pinst Home, and in fact one of the earliest persons to enter that home after its organization in 1869.

Her nushand died in the early part of 1869 of paralysis. He had suffered business reverses and the fortune he had gathered together in years of mercantile life had suffered an alarming diminution. With his death was swept away the last pro; upon which the widow learned, and through the kindly intervention of friends Mrs. De La Montanye was aumitted to the Home.

BISMARCK, N. D.-k., Dec. 20.—There is much interest in the story which Corpl. Gudn, ot a Troop G. Eighth Cavalry, who was in from Fort Yates yesterday on a furioush, tells of bitting Bull's death, and which differs widely from any reports previously sent out.

"Bull Head, Lieutenant of the Indian police," ne said, "came to Sitting Bull's house with a warrant for his arrest. No one but the did chief and his two sons were there. Sitting Bull opened the door, and his son, seeing the house surrounded by police, gave a cry of alarm.

"Without hesitating a moment, Bull Head fired at Sitting Bull, the tail striking him in the left breast, killing him almost instantly. While recling, Sitting Bull managed to draw a revolver, which exploded just as he fell, the ball entering Bull Head's thigh.

"One of the lindian policemen lifted Sitting Bull's scalp. The old chief's face was a sicting of Bull's scalp. The old chief's face was a sicting a lift of lift of the indian policemen in the constant visitors at her bedside. An attock poemonial just ten days ago was the forerunner of the inevitable. She suffered acarcely at all, and it was as if she welcomed the configuration of the inevitable. She suffered acarcely at all, and it was as if she welcomed a light size death with a plank.

friends Mrs. De La Montanye was admitted to the Home.
It was on Rept. 15, 1870, that the widow entered he modest brick house on Grove street, then consecrated to the welfare of aged indigent men and women. Her name has since remained on the last of lam4es, and in all these twenty years busan De La Mon anye has been neloved up her companions and admired by the officials.

June 17, 1875, Maitida De La Montanye, an unmarried daughter of Mrs. De La Montanye, was admitted to the Home. There cord of herentry shows that Maitida was born in New York City in 1810. She was therefore sixty-five years old, and little thought was there then that the mother, in her eighty-eighth year, would onlive her dangiter. Corporal Gunn's Story of Sitting

DUBLAP CABLE NEWS SPECIAL. LONDON, Dec. 90. - The wife of Eyraud, the pany to compel the company's acceptance of Egraud neglected to pay last year's premium,

the full extent.

But the company, having the guillotine in its mind, does not crave the premium on the risk, and will make the defence that a man who commits murder likewise commits suichle the police.

The suit against the Second Avenue Surface Railroad Company for arrestages of percentage due has been discontinued because of the payment into the tity Treasury yesterday of 5,000.

Comptroller Myers has also continue the action of the payment into the city Treasury yesterday of continue the action of the payment into the city Treasury yesterday of continue the action of the payment into the city Treasury yesterday of the payment into the city Treasury yesterday of continue the same than the payment into the company.

The International Boatmen's Union has now about 1,000 members; its headquarters is at 26 Albany street.

Concert and ball of Journeymen Brewers' Union So. 1, to-night, at the Brooklyn Labor Lycoum.

Don't forget the concert for the benefit of the Rochester shounkers to-morrow evening at Claren-

A thing which puzzled many people on Wednesday night was the fact that only two materials of the many new were discharged without any apparent cause. men were allowed to spar in the middle-weight class, although some half-dozen weighed in. Of all organizations in the world the Amateur Ataletic Union should be the very some of fairness, but things do not look that way at present.
Pat Cabili confronted a good man when he met Butler, and sithough he won the bout, he did not escape without getting a pair of black all which made him withdraw from it was the

This satisfied Pat that he had no easy task perform, so he seked one of the Committee f the middle-weights were to spar on Satur day to the order in which they had been drawn that night. To his astonishment be was informed that the drawing would all have to be formed that the drawing would all have to be done over again on Satur day. In other words of the laboring people by the Legislature of Massachusetts upon the demand of the times to-night with absolutely fresh men in order to win the championship, while he is actually sore at present from the broken hection of the Socialist labor party for the broken Butler. While the A. A. U. has broken do the broken Workingmon's Free School amounted to 889,16.

A party of sporting men tried to arrange a

There will be a four-round go for a \$100 tro' phy in the rooms of the Nonparell Athletic Cub, at 47 Oliver street, next Monday night, which will be well worth seeing.
